I have known Ruth Abadi for more than 30 years and can personally attest to her yirat Shamayim ,her scrupulous honesty and integrity ,and her kind and loving heart . More than 20 years ago ,she established a wonderful organization Lev Ezra that provides financial assistance to many families in the US and Israel. Lev Ezra helps these families put food on the table ,pay their rent ,buy winter coats for their children ,and pay yeshiva tuition .Ruth is an outstanding administrator of this fund and whenever halachic shallot arises ,she goes to appropriate daas Torah for resolution .Lev Ezra is deserving of your most generous support .May the merit of tzedaka bring blessing to the families of all who contribute .
