

To Our Wonderful Community Members:

The organization "LEV EZRA" founded in memory of Ezra Abadi A"H
is a most amazing organization B"H.

They distribute food to many many families for Rosh Hashana,
Pesach, Purim, and almost every Shabbat as well.

I personally know the family and 100% of donations are given
directly to the families in need.

Please try to give as much as you can to this wonderful
organization and Hashem will fulfill for you the saying:

"Take care of mine, and I will take care of yours"

תזכו לשנים רבות נעימות וטובות
